

## Invitation to Tender

for

The design, making and installation of the main school sign for the Steiner Academy Hereford

The commissioned sign will replace the temporary “billboard” sign (as in photo above) that faces you as you arrive at the school.

The suggested material is either stone or slate, although this does not rule out other options.

The text on the sign must include: name, logo and contact information

**Please submit your tender by 30 March 2012 to:**
